## TWELVE COMMANDMENTS OF THE GROTTTO

1. To draw the Master Masons of different Lodges into closer and more friendly relations.
2. To create and maintain a spirit of Fraternity among us.
3. To discountenance jealously, enmity and ill-feeling.
4. To teach us that we are not only members of one Blue Lodge, but belong to the Fraternity-at-Large.
5. That there are good Masons outside of our own Blue Lodge and they are worthy friends and companions.
6. To build up and strengthen the character and individuality of the Mason, and to teach, recognize and develop the principles of Masonry outside the Lodge Room.
7. To teach that a Mason is not judged by his actual appearance or worldly wealth.
8. The Grotto meets all Masons on the Level, not figuratively, but actually, and teaches that Masons are Brothers on the street as well as in the Lodge Room.
9. That Masonry must not be used as a means of advancing the material interest of any man.
10. To get out of the rut in which we too often fall.
11. To forget our cares, for there is good in all of us.
12. The Grotto is a social organization for Master Masons.

### **Sabette's Conner**

Happy New Year to all the Grotto members and their families from the Sabetts!

The Sabettes will be cooking for Stated Meeting on Thursday January the 16<sup>th</sup> at 6pm. Our menu will be a delicious homemade beef vegetable stew, with cornbread and salad, also assorted desserts. Cindy Carter made it last year and it was a big hit, I will be assisting her in the preparation and we look forward to seeing you all.

Also we are all happy to say Kathie Misenhelter had her knee replacement and is up and doing very well. Leon Poteete was in the hospital for cardio version overnight and did well, also remember to wish Leon a happy 91<sup>st</sup> Birthday. Several of us have weathered the flu this holiday season. Glad to see Bonnie Hammond has recovered from Noro virus.

We all look forward to a great 2020 for the Grotto

Blessings,  
Penny Deshong  
Sabette President
